

## Product Data

# CARECLEAN PLUS

Issue Number 1  
09/05/2002

### *Hand Cleaner*

#### DESCRIPTION

Castrol CareClean Plus is a high performance handcleaner with polymer beads and lanolin. It is a citrus smelling new generation handcleaner. It is formulated to the highest standards, using the latest available technology. It is particularly effective at removing oil, grease, grime, soot and ink from the hands.

#### APPLICATION

Castrol CareClean Plus contains polymer beads that are distributed throughout a water-based gel and act by gently massaging dirt from the hands. The polymer beads are smooth and spherical in shape and consequently are not abrasive to skin.

Castrol CareClean Plus will not block drainage traps, as the polymer beads are lighter than water and simply float away.

#### FEATURES

- ◆ Contains polymer beads
- ◆ Contains lanolin
- ◆ Solvent free
- ◆ Will not block drainage traps

#### BENEFITS

- ◆ Aids cleansing
- ◆ Conditions skin
- ◆ Does not dry out skin

#### TYPICAL CHARACTERISTICS

Density at 20°C                      0.900
